

TECHNICAL DATA SHEET

Mica Flakes ChemTech MFW2501

TDS Ref.: MFW2501_TDS
Version: 1/24

Issue date: 2024-07-23

SPECIFIC PRODUCT DATA

Appearance	Loose flaky particles
Colour / Effect	White
Material type	Artificial mica
Particle size, mm	0.8
Relative density, g/cm ³	2.2 – 2.8
Bulk density, kg/m ³	270 - 320
Softening temperature, °C	1100
Shelf life after the inspection date, months	Unlimited

COMPOSITION / INFORMATION ON INGREDIENTS

Ingredient name	Identifiers	%
SYNTHETIC FLUORPHLOGOPITE	CAS-No.: 12003-38-2 EC-No.: 234-426-5 REACH-no: 01-2119971065-37	100

DESCRIPTION

Uncoated artificial mica flakes. High shear mixing should be avoided as this can damage the product particles changing colour and reducing their luster effect.

Non-toxic. Chemically resistant in water and other solvents. Good light stability enables indoor and outdoor application.

The material is suitable for various industrial applications. Its concentration depends on an application type and desired effect. The most visible result can be achieved in a transparent and glossy system.

Flakes can be used in combination with other effect materials and colourants.

For more precise recommendations, please contact ChemTech team member.

Standard packaging is a 25 kg carton box with an inner plastic bag. Customised packaging is available.

Mica flakes should be stored in the original tightly sealed shipping packaging in dry conditions.

ADDITIONAL INFORMATION

The information in this TDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or method of handling, storage, use or disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This TDS was prepared and is to be used only for this product. If the product is used as a component in another product, this TDS information may not be applicable.
